Accents Roller

142

Accents Roller

143

Accents Roller 144

This image shows four different types of accents rollers. Two are labeled '1' and two are labeled '2'. They vary in material (some are brass, some are black) and design (some have a central screw, some are flat).

Accents Roller 145

This image shows four different types of accents rollers. Two are labeled '1' and two are labeled '2'. They vary in material and design, including some with a central screw and some with a flat top.

Interlocking Rope Pulley 146

This image shows two interlocking rope pulleys. One is labeled '1' and the other is labeled '2'. They are made of brass and have a complex, interlocking design with a central axle.

Interlocking Rope Pulley 147

This image shows two interlocking rope pulleys. One is labeled '1' and the other is labeled '2'. They are made of brass and have a simple, circular design with a central axle.

Interlocking Rope Pulley 148

This image shows two interlocking rope pulleys. One is labeled '1' and the other is labeled '2'. They are made of brass and have a simple, circular design with a central axle.

Interlocking Rope Pulley 149

This image shows four interlocking rope pulleys. Two are labeled '1' and two are labeled '2'. They vary in material and design, including some with a central axle and some without.

Interlocking Rope Pulley 150

This image shows four interlocking rope pulleys. Two are labeled '1' and two are labeled '2'. They vary in material and design, including some with a central axle and some without.

Interlocking Rope Pulley 151

This image shows four interlocking rope pulleys. Two are labeled '1' and two are labeled '2'. They vary in material and design, including some with a central axle and some without.

Chain Roller 152

This image shows four chain rollers. Two are labeled '1' and two are labeled '2'. They vary in material and design, including some with a central axle and some without.

Spirator 153

This image shows a single spirator component. It is a circular, dark-colored metal part with a central hole and a small protrusion.

Door Rope 154

This image shows two door ropes. One is labeled '1' and the other is labeled '2'. They are made of metal and have a circular shape with a central hole.

Door Rope 155

This image shows three door ropes. One is labeled '1' and two are labeled '2'. They vary in material and design, including some with a central hole and some without.
